### 360 DigiTech Announces Follow-on Investments in the Previously Established Joint Venture to Develop Its New Headquarters in Shanghai

360 DigiTech, Inc. (the “Company”), through its variable interest entity in China, Shanghai Qiyu Information Technology Co., Ltd. (“Shanghai Qiyu”), has entered into an equity transfer agreement with Shanghai Jiehu Internet Technology Co., Ltd., an entity controlled by 360 Group (the “Shanghai Jiehu”), pursuant to which Shanghai Qiyu will acquire all the 30% equity interests owned by Shanghai Jiehu in the joint venture company established in Shanghai in October 2020 jointly by Shanghai Qiyu, Shanghai Jiehu and Shanghai Changfeng Investment (Group) Co., Ltd., an independent third party (“Changfeng”), for the purpose of developing the Company’s new headquarters in Shanghai. Concurrent with the execution of the equity transfer agreement, the Company, through Shanghai Qiyu, has made investments into the joint venture in an amount of approximately RMB315 million (equivalent to approximately US\$49 million). The transactions have been reviewed and approved by the board of directors and the audit committee of the Company. Upon the completion of the transactions, the Company and Changfeng will hold 70% and 30%, respectively, of the equity interests in the joint venture. Upon the completion of development of the project, the Company would be able to further consolidate a majority of its office spaces into a centralized headquarters, which is expected to improve management efficiency and lower operational expenses in the long term.
